The Barony of Caer Anterth Mawr

Missive from the Coronet

reetings to the Barony!

Thank you to everyone for making Crown Tournament so fantastic. We heard wonderful things during and after the event, and are really looking forward to future activities with St John's Academy. And congratulations to the Prince and Princess, Lars and Mary! We have been discussing award recommendations for the acts of service, art, and chivalry we saw there - please also write recommendations of your own! Such things can be sent to us or to Their Majesties, either via the websites or via email. We look forward to hearing from you all.

His Majesty was so pleased with the site that he requested another event to be held there as soon as possible. To that end Maestra Sofonisba and Sir Armond arranged another one for January, which will be a melee event. This event will be much more simple, but volunteers will be very welcome.

But before that, we have Boar's Head quickly approaching! The Ladies Beatriz and Rachel have been leading the event staff in efforts to make our flagship event as amazing and memorable as possible. All of the staff positions have been filled, but everyone would still appreciate more help. If you have time on Friday December 2 to help set up the hall, if you

can arrive a little early on Saturday the 3rd for the event, if you can take a turn at the Gate table, if you can stand as royal room guard, if you can serve at the list tables, if you can re-fill a water jug, if you can stay late to help clean up afterwards - there are many things to do, and plenty of ways to serve.

Following Boar's Head and the Melee Event we intend to hold our Yule Court, at the end of January or beginning of February. We will make the time and place known once it's been settled.

We thank you all for doing so much and making our Barony look so good. As always, please remember that we would love to see you in person, but everyone's health is important. If you don't feel safe gathering at this time, or you prefer to wear a mask, we understand.

Stay safe and wash your hands, and we hope to see you all soon.

From the Seneschal

Väl mött! (Well met!)

Thank you all for coming out to the Northshield Fall Crown Tournament, it was a wonderful time and thanks go out to Arnbjørn and Rhys. In conclusion of the tournament, we have new heirs and congrats to Lars and Mary!

Looking forward to Boar's Head? Beatriz/Rachel/Asabella can use your help! Please volunteer if you can spare some time. I'm sure they would welcome the help.

The cadets from St. John's Northwestern Military Academy at the Northshield Fall Crown Tournament were interested in what we do as a society, and now we get to interact with them again... As we are hosting a Midwinter Melee Practice and Commanders meeting at, St. John's Northwestern Military Academy on January 21, 2023! This is going to be a day of melee for heavy and light armored combat. We hope that everyone braves the cold and comes on out. The St. John Northwestern Military academy was a great site for Fall Crown Tournament and now we get to go back for some more fun.

Just to note, we've put more information up on our google sites for event sites information, Gold Key, and have done a preliminary inventory for quartermaster.

Please join us for the Curia, in case you have any concerns, or items to be added to the agenda, email me so I can add the items. Next Curia meeting will be Tuesday, Nov 15, 2022 at 7:15pm. Meeting ID: <https://meet.google.com/xsh-iyrw-gbu>

Greetings,

The Chronicler's office now officially open for applicants. This is a **required** office for a **barony** in Northshield. **This office must be filled.** As the kingdom chronicler, I had been given permission to continue serving as baronial chronicler for the remainder of my term, but I will not be extending my term beyond this month.

From the Minister of Arts & Sciences

Fall Crown Tournament is behind us, and Boar's Head not too far off. My time as MOAS is coming to a close. It has been a good two years, and I'm proud and impressed by all you have accomplished in that time. Right now here are the things the populace is working on – you are all amazing!

Margaret H.: I am attempting to sew my first garb! It's a simple tunic dress and probably won't be done for a while.

Baron Abelard: Armor repair! Mostly rebuilt my gorget (by which I mean that I replaced almost all of the leather pieces).

Sibillia D'Orange & Charlotte made a gown and kirtle for Charlotte

Mistress Sofonisba: Mostly hand sewed a new apron dress from hand made fabric I got at Pennsic. Need to finish the hem and straps. Been doing some wood turning too.

Deonyssia of Rye: I have completed 6 scrolls blanks, 4 of which have been utilized by the Crown for various awards (I took 3 assignments & Mellissa took 1 assignment) – I am the illuminator, Mistress Mysie is the calligrapher. I have 4 more blanks in various stages of doneness. I have also been doing research on various times & places of illumination to broaden my repertoire and increase my skills. I am currently working on creating several classes, one on "How to Host the Royalty Room", and several on various parts of doing illumination.

Mistress Mysie: Calligraphy for a few scrolls, cooking from a period Syrian cookbook, knitting.

Anna Victoria: As ever, I am designing a Yule themed garb kit for myself for Boar's Head and a doublet for my dad. (and encouraging my dear wife as she attempts to design her own gown).

Magdaléna Zoran: Finished my first tablet weave, prepping another. Starting some "Viking knit" custom orders.

THL Rhys: Some food research

Dame Merouda: Making a dress, doing some knitting.

Robin K.: Doing a bit of bobbin lace

Noble Arnora Punkarr: Tablet weaving!

Arthur Angus: Making belts. I need to repair armor though.

Baron Albrecht: Working on new music for fretted zither (mountain dulcimer), working on hand-tool wood working skills. Some basic astronomical observations.

(MOAS Report continues on top of next column)

For a variety of reasons I have not requested a third year as Caer Anterth MOAS. At the August Curia Lady Sibillia was selected as the next MOAS.

In Service,

ALBRECHT

From the Archery & Thrown Weapons Captain

Archers and Throwers to the Range!

Welcome to the dark time of the autumn, where snow is just as likely to fall as the leaves. But we will continue to gather outdoors for archery and thrown weapons practices. We will continue holding Sunday archery practices at 10 am, rotating between Menomonee Park and KK River Parkway. Once the ground becomes snow covered, we will hold archery practice at KK River Pkwy only. The berm makes it easier to find missed arrows in the snow.

We will hold TW practice at KK River Parkway at 12 pm, after archery practice, on November 6th and 20th. Thrown Weapons practice goes on hiatus from December through April.

Next month, I will officially open the Thrown Weapons Captain office for letters of intent, as we will be six months out from the end of my term. Applicants will need to be a thrown weapons marshal or MiT.

If anyone is interested becoming an archery marshal-in-training and/or thrown weapons marshal-in-training, please let me know. William, Rhys, and I are all training marshals for archery. I am also a training marshal for thrown weapons. Also, if anyone is interested in becoming a deputy for the archery captain or TW marshal, please let me know.

Ever in Service to the Barony,

ARNBJØRN

From the Social Media Office

The Social Media Officer position is officially vacant. With three very active admins in Randal, Abelard, and Arnbjørn, and a generally well behaved populace online, the office is very easy. Basically, it is filling out the online quarterly report to kingdom. Starting in 2023, the SMO will only need to report once a year, at Domesday, just like the local chroniclers and webministers.

Send a letter of intent to Their Excellencies and the Seneschal.

From the Chatelaine

Greetings all!

We have had new folks attend recent events. Thank you to everyone who has helped make their events enjoyable and memorable. If you see a new face, take a moment to stop and say hello! Additionally, when we were at St. John's, many of the students present expressed excitement about SCA. I have begun discussions to see how we can cultivate some connections with the student body.

Yours in Service,

Lady Beatriz de Cam

From the Pursuivant

Vivant to all! Please continue to notice each other's talent(s) and good work(s) so we may celebrate such things with more awards!

Fall Crown Tournament Thank Yous from the Event Stewards

Greetings,

Fall Crown Tournament is now behind us, and the future of the kingdom is secure. Events like this do not happen without the help of many people who have our very sincere thanks.

We want to thank the Crown, Stallari, Council, and the baronial curia for entrusting us with stewarding the event.

A huge thank you to Baron Abelard, Maestra Sofonisba, and Sir Armond for helping scout St. John's with us and guiding us with what is needed for a crown tournament. Your insights were invaluable.

Another thank you to Sofonisba and Armond for coordinating the Pot Luck Feast and Post Revel, and for securing the American Legion Post 196. Thank you to Lady Sarah for her solo managing of the food at the Legion Hall until we all got there was invaluable.

Thank you to Mistress Tatianna for being our royalty liaison, a task made all the more challenging given that she had less than a month to coordinate with the new royals after "Crownination".

Thank you to His Lordship Arthur and Her Ladyship Asabella for taking care of pre-registration and running gate, running both smoothly and efficiently. Thank you to Baroness Kateryn, Mistress Alinore, His Lordship Ronin, and Lady Amanda for working gate.

Thank you to His Lordship Magnus for making picking up and returning equipment from the storage locker so easy.

Thank you to everyone who came out for set-up on Friday and helped with take down, especially as we were making the baronial progress from the gym to the dining hall to the legion hall. Truly, many hands made light work.

A massive thank you to Duane Rutherford and everyone at St. John's Northwestern Academies, for letting us come to their beautiful campus, and all their help in making us feel welcome.

Lastly, but most importantly, thank you to each and every person who came to the event. It is for you that these events are held for. Your enjoyment and your kind words mean the world to us.

In Service,

Arnbjorn and Rhys,

Fall Crown Tournament Event Stewards

SAVE The Date!

Next Fall the Barony of Caer Anterth Mawr will be hosting a new event:

Haustblot: A Norse Harvest Celebration

Sept 22-24, 2023 at Camp Sinawa, Valders, WI

(This is the site where Mermaids used to be held)

The details are being worked on but there will be rapier and rattan fighting, archery, merchants, an artisan's row, feast, Viking Hiking and more! This will be a camping event. You can bring your tent or there will be cabins available for rent.

More to follow!

Event Stewards: Mistress Sofonisba and Mistress Tatiana

2023 Planning Meeting

After almost two years of being limited to virtual meetings or outdoor practices, the Society is starting to return to a new normal of activities. 2023 is shaping-up to be a busy year for the barony, with us hosting kingdom practices, a Known World event, a new baronial event, and Boar's Head. But there is still plenty of room on the calendar to hold moots. While we have been holding martial activities pretty regularly, there have not been as many opportunities for arts & sciences and/or socializing. Moots are a great way to do either or both. If you have an idea for moots or locations to have them, let us know. If you have ideas for events or projects beyond 2023, let us know.

We will be gathering online on Wednesday, November 16th, at 7:15 pm.

For those interested in the bid details that were submitted for consideration, they can be read here: <https://oscar.sca.org//index.php?action=100&loi=7636>

I'll be working on putting together a more complete event staff and a timeline to ensure the event planning runs as smoothly as we can manage. It is my plan to report regularly to Curia now that the bid is awarded.

Seneschal

Reported on zip codes (see below).

Chatelaine

Will report in the Tower.

Chronicler

The Tower due Oct 25. Office is as open as it can get. Read the Tower and please apply. Next month is his last month, and we need a chronicler to have a barony.

Chancellor of Exchequer

He couldn't be here tonight but sent out the spreadsheets. He had to correct an error and has re-sent the Crown report, which Asabella shared to the meeting. We made a profit! Making an effort to get a budget around Thanksgiving.

Quartermaster

Nothing to report. Almost everything from the event got back to the locker except the gate box, tablecloths, and silverware. Those things will go to practice for handoff.

Herald

Report will be in the Tower.

Knight's Marshal

Practice is still happening, at the church most of the time, funds are still coming in and going into our account. Nobody's gotten hurt. Had a great time at Crown.

Archery Captain

Continuing archery on Sundays at 10 AM, alternating between Menomonee and Kinnickinnic.

Thrown Weapons Marshal

Practice this Sunday at Kinnickinnick. Loaner gear available.

Rapier Captain

No injuries and nothing much to report - but Princess' Sleeve will be at Boar's Head.

Youth Combat Marshal

Impromptu youth practice this past Sunday, and a CAM youth fighter was at Jara practice on Sunday, and we've had a couple other kids at practice.

Minister of Arts & Sciences

Let Albrecht know if you're doing arts and sciences. Term is ending soon .

Webminister

We have a new page for champions, attached to the officers page. Added names based on previous Tower articles. There is a page and event for Boar's Head. Some of the data there is filler data. Sent a test email to the boar's head email group. Office is open in December - send in letters of intent. Will not apply for a fourth year.

Signet

Has sent out email looking for scribes and illuminators for scrolls for Yule Court. Please let her know if you want to help!

Social Media Officer

Office is open.

Old Business

Boar's Head

Event steward/volunteers - Shawnah/Rachel/Asabella. Royalty Room: Deonysia. Gate: Asabella. Prereg: Arthur Angus. Rapier field will host two rapier tournaments (OVC tournament and Princess' Sleeve) and melee practice. Classes: should have a list of classes for Boar's Head scheduled by November 1st. If you want to teach a class and have not contacted Mysie yet, please let me know the topic and duration you want for your class. At the moment we have 8-10 classes during the day. Pre-reg form is being tested. Positions are all filled, including youth combat.

Known World Herald's and Scribes Symposium

Working on finding staff, and Beatrice has reached out again to try and reach the contact for campus event housing.

Haustblot: A Norse Harvest Celebration:

Sept 22-24, 2023 at Camp Sinawa. Now that we're less than a year in advance we should look at a budget.

Turn an dem See:

Zip codes sent for Washington Co and areas to make contiguous area. Cartographer reported back - he's waiting for clarification from the crown. The current thinking is that CAM will get some and Windhaven will get some, but Randall will go back to him.

New Business

Fall Crown Bid

Thank you all for your help with the event. Thought it went very smoothly. Nothing but praise for the event. Went very well for a rain backup site. Exceeded target attendance, made a profit. Congratulations to their highnesses. The only complaint Rhys heard was that the stalls in the women's room were very small and ran out of toilet paper. There is another women's bathroom past the locker rooms, FYI. Did we not invite merchants or did nobody ask to merchant? We weren't sure if there would be space for them, and
(Curia Minutes continue on page 6)

(Curia Minutes continue from page 5)

didn't nail down with St Johns if there was a restriction about what could and couldn't be sold. Decided not to push it. The potluck went over well - potlucks appear to be a favorable choice right at this time. (Drachenwald also had a potluck at a major event.) Was it advertised that the postrevel was street clothes? It was not widely published, but a few people were told.

January Melee Practice :

His Majesty would like us to host a melee practice in January - January 21 was available and doesn't conflict with any Northshield events. We can hold it for \$100 per hour, with same site rules as Crown. Proposal was emailed to the CAM list. 65 people is the break-even point, at \$15 each. HRM is actively recruiting for this. Site would be from 9-5. (Might want it from 8-5.) He wants melee for rapier and heavy for both. Sybillia offered to be rapier MIC. Parking might be an issue in January. Does "live steel" preclude rapier? We think not, but will clarify. (Do they have an archery range?) Need to make it very clear that a bone dry site is bone dry, and also no smoking/vaping means no smoking/vaping. We moved to have the event with the caveat that rapier can happen, voted, passed. Let's get it into the January Northwatch (which comes out mid-December).

St Johns Future Planning: :

Would like to set up a demo (perhaps at January Melee Practice), and would like to extend that to boffer practice. Abelard will talk to his superiors about how that would work, waiver-wise.

2023 Planning

(Maybe in November): November 16 (Wed). If you have anything you want to plan or ideas for moots or events or whatever, bring it to that meeting.

Yule Moot

Sunday Jan 22? Sunday Jan 29, Feb 4? Sofonisba will look at those dates. Arnbjørn will steward. Court, gift exchange, potluck?

Misc:

TeslaCon 2023: Is the same weekend as Boar's Head 2023. Let's send a poll to the Northshield facebook group or the TeslaCon facebook group and see what impact their event will have on us. We don't know if we can even move Boar's Head's date. Best bet is to roll with the punches.

Boar's Head: Will we have the event in the future? Not in 2023, at least, but we shouldn't rule it out entirely. Do we want to make some kind of announcement about 2023? We think not (but someone should mention it to the Seneschals group).

Meeting Adjourned

What weighs more, a pound of gold or a pound of feathers?

This age-old "trick question" (a pound = a pound) is actually a trick question within a trick question, thanks to two medieval systems of weighing.

Technically) a pound of feathers weighs more than a pound of gold.

Because each is weighed by a different system.

We are most familiar with the avoirdupois ("sold by weight") system --one pound is 16 ounces or 454 grams, whereas gold and precious metals are weighed in "troy (originally used in Troyes, France) ounces" (12 oz. to a pound or 373 grams).

Once again, we are still living in the Middle Ages.

Mistress Priska the Sensible

CAM 50th

2025-2029 mark the 50th anniversaries of the founding of the Shire of Caer Anterth (Sept 1975), the Feast of Boar's Head event (December 9, 1978), and the elevation and investiture of the Barony of Caer Anterth Mawr (September 15, 1979). To felicitate brainstorming ideas to commemorate our golden anniversaries, either as events or projects, I have created a Google Group.

Current ideas include doing a "barony provides the meat" potluck for the shire 50th and a Fields of Gold themed event for the baronial 50th.

If you are interested in joining the group, to share your ideas, please contact Arnbjørn (see Chronicler contact info).
