The Barony of Caer Anterth Mawr

Missive from the Coronet

reetings!

Since last month's article we have learned that Their Majesties have approved our requested extension of two years, thanks in part to the Barony's vote of confidence. Thank you all, and we look forward to more events, more courts, and more fun!

We have also just learned that Caer Anterth was chosen as the location for the next in-person Known World Herald's and Scribes Symposium, June 23-25 2023, on the Marquette campus. We thank Signora Beatrice and her team for putting together the bid, and thank the officers for their approvals to send it on to the College of Herald's. Look for more announcements and volunteer opportunities to come in coming months for this event. We expect to have quite a few notable luminaries in the scribal and heraldic communities coming to our corner of the SCA world, and we're really looking forward to this opportunity to shine.

Thank you also to the folks who helped move the storage locker to its new location. Neither of us could attend, but were pleased to hear that it went well.

His Excellency attended Warriors and Warlords this year, and had a wonderful time. Congratulations to Geoffrey, Sybillia, Kale, and Joseph on their

awards, and thank you to everyone who fought, taught, marshalled, shot, threw, cooked, and otherwise participated in making the event everything it was. We have a number of award recommendations to write from this event, and remind you all to do so as well. Remember, when filling out the award recommendation form, that the scribes need at least one month to put together scrolls and other works of art; when you select events which the person will be attending, look farther into the future. We look forward to more fun at Pennsic and other events into the summer.

As much fun as WW was, there were a number of COVID cases which came to light afterwards. We hope to see people at Baronial Champions in September, at Crown in October, and at Boar's Head in December, but if you're not feeling well or don't feel safe, please stay home. It's still okay to wear masks at events, and we should still maintain social distancing. And wash your hands! The likelihood of transmission is less when outdoors, but not zero - as evidenced by this event.

Please, be safe, and be well.

Officer Reports

From the Seneschal

Väl mött! (Well met!)

Winter is coming... Might not seem like it with lots of sun, lots of heat, even more sun... But it is!

Baronial Champs: September 18, 2022 Sunday, be there or be... volunteered for an officer position?

You remember last year, about this time, we were not selected to host a fall crown last year.. well, we are holding Northshield Fall Crown THIS YEAR! Arnbjorn and Rhys are the event stewards and could use you volunteering! October 8, 2022, St. John's Northwestern Academies.

We are also ramping up for Boar's Head. Beatriz and Rachel could use your support!

Next year we will be hosting the Known World Herald and Scribes 2023... Very exciting... Look for more information to come.

We moved into our new Baronial Storage Unit, thanks to Magnus as he was the Quartermaster for both moves, from Waukesha and from Milwaukee... He deserves applause, or a drink, heck, both! As Seneschal I can help with the applause... (Applause!) Some of us did help him a little, thanks to Arthur, Arnbjørn, Beatriz, Karl, Gilchrist... Many hands made light work.

Last curia, vote of confidence in your Seneschal, looks like I'll be around for one more year. But with that being said, who wants to take the position next year around. Baronial Champs or Boar's Head? It's coming up around the corner. The job really isn't that hard, you sign some papers, hold some meetings, herd some cats.

Fighter practice is happening, come on out! Ask questions? Need armor? We can help that.

Got an idea for a demo? Know where the history geeks hide? Want to intrigue new people to the group? Anyone want to help organize a demo? Here are some ideas, and an actual demo! (In order by date)
-National Night Out Family Fun Night - Friday, Aug 4, 2022 5-8pm Milwaukee Police Department - District 6 - 2200 W Kinnickinnic River Pkwy, Milwaukee, WI 53215
-Greendale Village Days 2022 Thu, Aug 11 (2022), 11 AM – Sat, Aug 13 (2022), 11 PM- Greendale Gazebo - 5798 Broad St, Greendale, WI

Please join us for the Curia, in case you have any concerns, or items to be added to the agenda, email me so I can add the items. Next Curia meeting will be Tuesday, Aug 16, 2022 at 7:15pm. (19:15)

RANDALL

From the Chronicler

Greetings,

Welcome to the August *Tower*. I am so glad to see all the upcoming event announcements the barony is hosting in the coming months.

The Chronicler's office now officially open for applicants. This is a required office for a barony. This office must be filled. I have been given permission to continue serving as baronial chronicler for the remainder of my term, but I will gladly step down earlier if someone volunteers. If you have any questions about the office, please ask.

The Social Media Officer position is also open. With three very active admins in Randal, Abelard, and I, and a generally well behaved populace online, the office is very easy. Basically, it is filling out the online quarterly report to kingdom. Plus, as SMO, you get to use the brand spanking newly registered SMO badge, *Fieldless, a cap of Mercury winged azure*.

I have six paper directories available for sale, at \$3 each.

Submissions for the September *Tower* are due by Thursday, August 25th.

In Service,

ARNBJØRN

From the Chatelaine

There are some demos that may be occurring. Please volunteer if you are able to commit with reasonable certainty. Demos can't happen without you, so bring your amazing armor, pretty pointy swords, gorgeous garb, and wonderful A&S works.

Beatriz

From the Minister of Arts & Sciences

Greetings unto the Populace of Caer Antherth Mawr,

Summer progresses. Gardens are beginning to yield up vegetables, and mid-summer flowers are making way for the late summer flowers. Warriors and Warlords was an opportunity for many of us to get together with friends we have not seen for a long time, cross swords on the C&T, armored or rapier combat fields, shoot at the archery range, get together to discuss calligraphy and illumination, and enjoy some time at the bardic circle.

If you learned a new skill at Warriors and Warlords or learned about A&S you intend to pursue, please share, via email, or the CAM Facebook page.

If you have pictures of recent finished or in-process projects, please share on the CAM Facebook page. Be an inspiration to others!

If A&S activities are of interest to you as something to learn, or if you have knowledge and skill, and a willingness to teach, please let me know. Looking forward to facilitating more opportunities for learning A&S this summer, and this fall.

Archers and Throwers to the Range!

It is Lammastide! That means only six more weeks of outdoor weeknight practices. We will continue holding Sunday practices at 10 am at Menomonee Park and Wednesdays at KK River Parkway at 6:30 pm.

Thrown weapons practices will be every other Thursday evenings at Redeemer, during Thursday fighter practices.

We may make a trip to Windhaven for one of their combined practices.

Caer Antherth Mawr was well represented on the archery and TW at Warriors and Warlords by THL Rhys ap Ishmæl Llygad Odd, Lord Karl Friedrich from Dinklesbuhl, Lord Ellis von Oestreich, and myself. Lord Karl won the Black Jack tournament on the TW range, while I won the Sun, the Moon, and the Stars shoot, the More is Better/Less is More shoot, and the Courtesan Guild shoot, where I won the beautiful arrows and quiver commissioned by Master Foro.

There are a number of archery/TW featured events on the kingdom calendar:

Poorman's Pennsic 25: Silver Anniversary– Falcon's Keep (Wisconsin Rapids, WI)- August 26-28

Missile Mayhem II– Windhaven (Clintonville, WI)- October 1

If anyone is interested becoming an archery marshal-in-training and/or thrown weapons marshal-in-training, please let me know. William, Rhys, and I are all training marshals for archery. I am also a training marshal for thrown weapons. Also, if anyone is interested in becoming a deputy for the archery captain or TW marshal, please let me know.

Ever in Service to the Barony,

ARNEBJØRN

From the Knight's Marshal

From the Pursuivant

Greetings!

Congratulations to following good gentles of CAM who were recognized by Their Royal Majesties Ajax and Gaia at Warriors & Warlords 2022, Anno Societatis 57:

Kale Phokaina Kourkouaina was added to the Order of Brigits Flame, which is given to those who have shown over time they enthusiastically strive for mastery in the Arts and/or Sciences, endeavoring to provide leadership and displaying courtesy. Members are expected to continue their pursuits in the Arts and/or Sciences and to help others find their own opportunities for enrichment therein. [formerly known as the Bridget's Flame] Blazon:(Fieldless) A torch argent enflamed proper. We may now call her THE HONORABLE LADY KALE! VIVAT and thank you for all of your illumination and work on scrolls over the years!

Known World Heraldic and Scribal Symposium

June 23-25, 2023

Unto the Barony, greetings from Beatrice.

As some of you may be aware, Known World Heraldic and Scribal Symposium (KWHSS) was held this past weekend (virtually), hosted by the Kingdom of Ansteorra.

During the Road Show on Sunday, Emma de Fetherstan, Laurel Queen of Arms, announced that the bid for KWHSS 2023 was awarded to CAM/Northshield.

For those interested in the bid details that were submitted for consideration, they can be read here: <https://oscar.sca.org/index.php?action=100&loi=7636>

My next few weeks will be filled with Pennsic. When I return (and fall semester has settled down a bit here at work), I'll be working on putting together a more complete event staff and a timeline to ensure the event planning runs as smoothly as we can manage. It is my plan to report regularly to Curia now that the bid is awarded.

In Service,

Beatrice Domenici della Campana

Event Steward, KWHSS 2023

From the Autocrats of Boars Head:

Boar's Head is on the calendar for Saturday, December 3rd. Details will be published in all the usual places. We will be reaching out and requesting volunteers for support.

Currently, we are seeking a volunteer to be the Feast Steward and the Class Coordinator.

Additionally, we will need Marshals for both rapier and heavy combat on the day of. Additional support will be requested as it arises.

Thank you to those who have already stepped up to fill the need.

Regards,
Lady Rachel and Beatriz/Steve

(Curia Minutes continue on page 6)

Boar's Head

We voted to accept the bid. To get the ad into the November Northwatch we need it submitted by September 20. Need to get it on the Kingdom Calendar - Beatriz sent that information a couple days ago. Are we having a feast? Can we set a go/no-go decision for whether or not we have feast? We don't do feast to make money. We did sell out last time we had one. Should we have a limited seating feast again, designed to break even? And, before all that, does anyone have a feast plan - does anybody want to be feast steward. Event Stewards will put out a call for feast bids for August Curia.

Baronial Event:

Sept 22-24, 2023 at Camp Sinawa. Need a name and maybe a theme. Maybe a Viking event, complete with Viking hiking and a scavenger hunt..

Known World Herald's and Scribes Symposium

The bid was posted before the deadline, waiting to hear from Laurel Sovereign of Arms this weekend (at Kingdom World Herald's and Scribes). Additional request: Can we include a room (\$55 per night, 2 nights) for Laurel Sovereign of Arms. Much conversation about whether or not we can legally do this. This will not push us into the negative. Moved to add this retroactively to the bid unless we determine that it's not allowed, seconded, voted, approved.

Prisilka's Ponderings

Do you have Holy Oak plants in your garden?

In the 11th century, the Knights Templar had orders to bring new plants back to England. They found a Chinese plant they called Holy (because they found it in the Holy Land) and Oak (because the leaves kinda-sorta looked like oak leaves).

A member of the Mallow family, it was found to have medicinal uses. For that reason, Pilgrims brought it to North America. After the Victorians, it was less popular.

When I was young, they were shunned by city people as peasant "outhouse flowers", since that is where they were often planted.

In Slovakia, they are called *slezova rusha* ("celestial rose"), since up to 10 feet high, it seems to reach toward the heavens.

However, today Holy Oak is known as Hollyhocks.

Never caught with my plants down...
Mistress Prisilka the Sensible

2025-2029 mark the 50th anniversaries of the founding of the Shire of Caer Anterth (Sept 1975), the Feast of Boar's Head event (December 9, 1978), and the elevation and investiture of the Barony of Caer Anterth Mawr (September 15, 1979). To felicitate brainstorming ideas to commemorate our golden anniversaries, either as events or projects, I have created a Google Group.

Current ideas include doing a "barony provides the meat" potluck for the shire 50th and a Fields of Gold themed event for the baronial 50th.

If you are interested in joining the group, to share your ideas, please contact Arnbjørn (see Chronicler contact info).
