## Missive from the Coronet

Greetings to all of you!

The summer season of melees, wars, and camping events is coming to an end, but it's not quite finished yet. There are still opportunities for all that and more in the month of September, and we encourage everyone to participate where and when they can. Warriors and Warlords saw members of our Barony performing some great deeds, and Pennsic saw even more. To everyone who participated in any small way and anyone who has received awards, thank you, and congratulations, and well done.

With the close of the season, we find ourselves looking forward to the activities of the next few months. September will find us at Coronation, shortly followed by Haustblot. October includes Crown Tournament in Border Downs, in November we hope to attend SUN in Nordskogen, and December, of course, is Boar's Head. There should be fighter's practices and archery practices every week (if the weather cooperates), A&S at least once a month, and formal and informal gatherings scattered here and there. And still, we must bring in the harvest!

Speaking of Haustblot, Tatiana and Sofonisba are putting together a wonderful event full of everything we love. Including a feast! If you can find any time to volunteer, please do so; if not, please at least attend and help us celebrate the harvest. Their Majesties intend to hold court, as do we; we will also hold many of the competitions which determine our next Baronial Champions. Please find information about those tournaments elsewhere in this issue.

And speaking of Boar's Head, it's time to show Northshield that we can still dance! Again, please volunteer if you can, and more about Boar's Head should also be somewhere in this issue.

With everything going on, we can't always see the fantastic things which all of you are doing. Please let us know, and let Their Majesties know, what we haven't seen. If not for all of you and your award recommendations many noble deeds would go unrecognized, and we hate to see that happen. You can email us directly or use the form on the website to submit them. Note, some of the recommendations we receive are sent straight to Their Majesties; sometimes we decide that Baronial recognition isn't sufficient for an act of greatness. The critical part of the process is that you make sure we know who you think is deserving.

And, as always, please look to your own safety and health.

Take care of yourselves, be well, and wash your hands,

-Abelard and Ysolt, Baron and Baroness Caer Anterth Mawr

## From the Seneschal

Greetings unto the Barony!

Welcome to Autumn! Happy 48 th birthday to Caer Anterth and 44 th birthday to the barony. It has been a honor to serve you all as Seneschal for the past few months. I want to thank His Lordship, Magnus Vargrson, for volunteering to take over as Seneschal this month. The ceremonial changeover will occur at Haustblot. The official date of the changeover is TBA. I also thank Lord Gilchrist O'Faolain for volunteering to take over as Quartermaster. Vivant! As if the first half of the year wasn't busy enough, we have two major events going up over the next four months. First up is Haustblot – A Norse Harvest Festival, on September 22-24, 2023, at Camp Sinawa (the former Mermaids' site), in Valders, WI. This is a camping event. Sir Armond is preparing feast. Pre-registration is required for feast. Pre-reg closes on September 8th. Please contact Mistress Tatianna and Magistra Sofonisba if you have any questions or wish to volunteer.

And of course, we are finishing this very busy year with the 45 th anniversary of Boar's Head, Danze del Verro (Dance of the Boar), to be held on December 2 nd , at the Washington County Fair Park, in West Bend, WI. Lady Beatriz Estevan de las Serras returns for a repeat performance as event steward. Please contact her if you have any questions or wish to volunteer.

The Society is a volunteer-based organization, and we have a few local offices that are looking for new volunteers.

Herald: Lady Katie's third year term ends in December. Letters of Intent are due to Their Excellencies, Katie, and myself by September curia.

Chatelaine (New Member Coordinator)- Lady Beatriz's third year ends in January 2024. Letters of Intent are due to Their Excellencies, Beatriz, and myself by October curia.

Rapier Captain- Mademoiselle Sibillia's two years ends in December. Letters of Intent are due to Their Excellencies, Sibillia, and myself by October curia.

Minister of Youth (coordinates non-arts martial youth activities at baronial events. Must pass background check)- Position has been vacant for a decade. Office is open until filled- Letters of Intent are due to Their Excellencies and I.

In addition to all the local offices that are open, the kingdom also has a number of open positions that it needs filled for the effective running of the kingdom. Please check the Northwatch and/or kingdom website for a list of open positions.

Lastly, a reminder that all members of the populace are welcome to attend and participate at baronial curia business meetings. They are held online on the third Tuesday of the month and typically last 60-90 minutes. The September curia meetings will be on September 19 th and the October curia meeting is on October 17th.

Ever in Service to the Barony,

Arnbjørn

## Archery Captain

Archers to the Line!

The end is nigh. No, not my term as archery captain. Curia approved extending my term to October AS LIX. The summer archery season is nearing its end. The days are shortening quickly. The last Wednesday evening practice of the year at Kinnickinnic River Parkway will be on September 13 th . We continue to hold Sunday archery practices at 10 am, rotating between Kinnickinnic River Parkway and Menomonee Park. Use of KK River Parkway is free to use and we have loaner gear. Menomonee Park has a \$6 per car entrance fee. Waukesha County Parks have switched to an online payment system. Pay online at <https://www.waukeshacounty.gov/landandparks/park-system/park-fees/entrance-fees/>. Thrown Weapons practice is held after the Sunday practices at KK River Parkway.

While the traditional outdoor archery season is nearing it's end, it is going out with a flurry of activities. First up is our new event, Haustblot, a Norse Harvest Festival, to be held on September 22-24, at Camp Sinawa (the old Mermaids' site), in Valders, WI. The baronial archery championship and thrown weapons championship will be held then. Details will appear elsewhere in the issue of the Tower.

Our neighbors to the north, the Barony of Windhaven are hosting Missile Mayhem III the following weekend, September 29-October 1, in Clintonville, WI. It will be a day of archery, thrown weapons, siege engines, and armored and rapier combat.

The same day, the Barony of Nordskogen is hosting Sharp Pointy Things, a day of rapier and archery.

We have begun holding regular Royal Rounds and IKAC's at practice, doing our part to represent the barony and kingdom well to the Known World. I shoot a personal best, and tied for

a kingdom best, in the Royal Round this summer, with a score of 95.

This summer, we have seen the return of Lord Mikkel the Red and Lord Akos to the range. Alva Shi, AR, and Lee have joined us as new archers.

If anyone is interested becoming an archery marshal-in-training and/or thrown weapons marshal-in-training, please let me know. William, Rhys, and I are all training marshals for archery. Also, if anyone is interested in becoming a deputy for the archery captain, please let me know.

Ever in Service to the Barony,  
Arnbjørn

## Chatelaine's Report

Greetings friends! My time as chatelaine is coming to an end in October. If you are interested in supporting our barony, please send a Letter of Intent to our Baron and Baroness, and include our seneschal. I am more than happy to act as a support and provide encouragement, guidance, advice, and bad jokes as needed.

In other news, we have had a few visitors. Please continue to be your lovely selves as we welcome new friends into the fold. Relatedly, please keep eyes out for potential demos and opportunities to represent our organization.

-Lady Beatríz Estevan de las Serras, Chatelaine for the Barony of Caer Antherth Mawr

## Looking for Volunteers at Haustblot!

The stewards of Haustblot seek volunteers to support at Gate. This is a great opportunity for newer members to work with experienced staff to support an event. ## Barony of Caer Antherth Mawr Baronial Championship Tournaments – To be held at Haustblot

### Bardic Championship

Calling all poets, orators, storytellers, singers, and performers of all kinds! This September at Haustblot, the annual Bardic Championship shall be held. The format is bring your best with a 3 minute maximum of time. For an added challenge, participants are encouraged to “medievalize” a favorite poem, passage, or song. This can be of your own making or written by another and performed by you.

All are welcome to participate, however only members of the barony will be eligible for Championship status.

An example is included below.

*The game of love, we intimately know -  
It's laws and maxims mastered by our hearts;  
Thus, I propose to be your only beau  
With passions that no other could impart  
These feelings that weigh heavy in my breast  
Should in your soul be similarly sown;  
I pledge these vows, most earnestly express'd,  
To make my deep affections truly known:  
That never shall I vacate from your side,  
Nor ever shall I disappoint thee hence,  
Nor will the day approach that wounded pride  
Could rise from some unfaithful dalliance.  
-My actions leave your face unstained by tears,  
And ledgers of my lies shall remain clear.  
-Rick Astley, "Never Gonna Give You Up"  
From popsonnet.com*

-Lady Beatriz Estevan de las Serras, Bardic Champion for the Barony of Caer Antherth Mawr

### Thrown Weapons Baronial Championship

We will be holding a Thrown Weapons Inter-kingdom Competition (TWIC) at Haustblot. In the TWIC The TWIC uses a 14 inch wide target for axes, knives, and spears. The 3 inch circle is worth 5 points, the 8 inch circle is 3 points, and the

14 inch circle is worth 1 point. Weapons are thrown 5 times from 3 distances (at or behind the 10ft throwing line, at or behind the 15ft throwing line, and at or behind the 20ft throwing line), for a total of 15 throws per weapon.

Each weapon has its own standing, so throwers will have the choice of throwing one, two, or all three of the three weapon types.

Throwers will have plenty of time to practice throughout the day, and may throw for score throughout the day. Once they start throwing for score, no more practice throws for that particular weapon style. We are ending archery around 2 pm, to give people a couple hours to participate in the TWIC as well.

The tournament will get Northshield added to the standings for the TWIC. Also, the TWIC will be used to determine who will be Caer Anterth's next Thrown Weapons Baronial Champion.

### **Target Archery Baronial Championship**

Below are the shoots that will be used for the Target Archery Baronial Championship, to be held at Haustblot. Because many of our core archers will likely be busy elsewhere during the event, these shoots will also be held on Sunday, September 17, at our regular archery practice at Menomonee Park, for those who cannot shoot on September 23 at Haustblot, and provide a practice opportunity for those who plan on shooting at Haustblot.

Saturday, September 23<sup>rd</sup> Schedule

9 am- Inspections and warm-ups

10 am- Inter-Kingdom Archery Competition (IKAC)- 2 ends of 6 arrows untimed at 40, 30, and 20 yards each, and 2 ends of 30-second timed rounds at 40, 30, and 20 yards. <https://scores-sca.org/home/index.php?R=10>

11 am- Norse Skein Shoot- each archer is given an equal length of string (3-4 feet). Each archer shoots 3 arrows per end, from 20 yards, wrapping the string around the grouping and cut off. The excess string is the archer's life line in the next end. The archer is eliminated if they cannot wrap their string around the grouping. The ends continue until most or all archers are eliminated. The person with the longest string at the end wins.

12 pm- Lunch Break

1 pm- Iðunn's Apple Shoot- Iðunn, the Norse goddess of apples and youth, was famed for her golden apples that could restore youth with a single bite. But watch out for the poisonous red apples. A single bite will cause one to faint onto death.

From 20 yards, archers will shoot six arrows at the target. Iðunn's golden apples are worth 5 points. But remember, a single bite restores youth. Only one arrow per archer per golden apple will receive 5 points, any additional arrows are 0 points. So the archer will want to shoot at multiple apples for higher scores.

The poisonous red apples are worth -3 points. But remember, a single bite will kill. Only one arrow per archer per red apple will lose 3 points, any additional arrows are 0 points, because the red apple already "killed" you with the first arrow.

The green apples are ordinary apples that are healthy to eat. They are worth 1 point per arrow per archer. Multiple arrows count.

### Rapier Baronial Championship

The format will be that anyone from CAM can enter and, not to leave non-CAM fighters out of the tournament, anyone who has been fencing for 3 years or less may also participate. CAM rapier fighters will be marked to be distinguished from the other fighters.

It will be best 2 out of 3 bouts, everyone must fight everyone. Bring your best rapier style. If a non-CAM fighter wins, they may then choose who out of the CAM fighters showed the most honor and prowess while they fought them.

## Boars Head 2023

Greetings all from the steward of Danze del Verro (Dance of the Boar, or simply, Boar's Head). I am pleased to announce that pre-reg will open on September 1<sup>st</sup>, the event website is available, and our event staff are all in place. However! - \***Social Media Officer/** Beatriz: People are being well-behaved and using social media.
- \***Exchequer/** Jean: We still have money. He showed us some spreadsheets and event reports. We made some money and spent some money; we have some outstanding checks that haven't been cashed yet.

- \***Herald/** Katie: Office is open. Third year ends at Boar's Head.
- \***Signet-** Kale/Mysie: Will change the office at Haustblot.

- \***Seneschal/** Arnbjorn: Had an emergency Curia poll to include Arthur as emergency exchequer. Had a financial committee discussion about how much to charge for Boar's Head. Outstanding request to Stallari to request second weekend in June for War Practice. Reminder to all officers to turn in reports on the 25th.

### **OLD BUSINESS**

- \***Known World Heraldic and Scribal Symposium Wrap-up** (Beatrice and Mysie): People at Pennsic were still talking about how great KWHSS was. Dahrien received an award for driving everyone around.
- \***Haustblot: A Norse Harvest Celebration** – Sept 22-24, 2023 (Sofonisba & Tatiana): We thought we were renting the site for the whole day on Friday, but they start rentals at 4, and we'll be charged \$50 per hour. Asked if we can get in at noon (for \$200) for the main hall and the bathrooms for staff, and others can arrive at 2 PM. (Thrown Weapons and Archery can also arrive at noon to set up.) We discussed it and approved it unanimously. Yngvar will be there and holding court. We will waive His fee and one retainer. He has not made a sleeping reservation yet; we have moved that

we amend the event budget to allow for a donation of \$35 to cover His Majesty's sleeping arrangements. Remind people to bring their own sheets and blankets. Will have a feast menu in place soon. Donation for pre-reg is the 8th of September. Mistress Jadwiga will bring up her Bayeaux Tapestry to show off. Nell (as paypal deputy) has been great to work with. We have people in charge of archery, rapier, heavy, youth, kitchen, classes, thrown weapons, and demos but need someone for gate. Maybe Beatriz? They will chat. (Eva and Mysie can also work the gate, which will be indoors.) No pets (except service animals). Jean would like access to the paypal/pre-reg spreadsheet - Sofonisba has sent it. Will also have a scavenger hunt. Site tokens will be an item chosen from 'the hoard'. Generally the same site layout as Mermaids - merchants across from the hall, heavy and rapier and youth by the teepee, archery and thrown weapons across the road. Please also bring games. No hookups for trailers, but people can use them if they want. Will need some things from the storage locker - shade fly, list poles and ropes, maybe some kitchen things. Some of the Baronial Championship tournaments will be held at the event.

**\*Job Descriptions** – Information on offices: A few jobs don't include 'find and train your successor', should have a short list of resources available (including reaching out previous office holder and kingdom office holder), should have reporting dates. Would like to see consistency of capital letters in the job descriptions. Ultimately, editing will be handled by Beatriz and Ysolt.

**\*Boar's Head (Beatriz):** The vote to increase ticket prices passed. Did send PDF with all the Boar's Head stuff in it to the CAM Officers list with updated numbers. Don't have a dance coordinator and we do want dancing; Her Highness will find one and send them to Beatriz. We do have a music coordinator. Need to find staff. Has an appointment with Nell to discuss setting up PayPal pre-reg. Thrown weapons would like a table to advertise TW activities.

## NEW BUSINESS

**\*Seneschal- LoI from Magnus:** We have a motion to accept Magnus as Seneschal. We voted and accepted his LOI.

**\*Quartermaster- LoI from Gilchrist:** We have a motion to accept Gilchrist as Quartermaster. We voted and accepted his LOI.

**\*Archery Captain- 3rd year extension request:** We have no objections to this extension.

**\*Baronial Championships:** Some of the championships will be held at Haustblot, the others at various practices; will check with the champions and get an answer before the Tower deadline of Aug 25.

**\*Kingdom looking for Spring Crown/Coronation '24 bids:** Let's check with St Johns for April or May for Crown or Coronation.

**\*Demos in 2024- Ethnic Festivals:** Germanfest had a HEMA demonstration. Should we investigate doing those next summer? Yes.

## GUILDS & GROUPS

**Brewers & Vintners Guild:** Currently on hiatus

**A&S Nights:** Would be on 8/16 at MU Physics Building, next month should be at UWM.

**Shop Night:** Randall's Manor on Tuesdays.

**UWM SCA:** Currently on summer break.

**Woodworking:** At Armond's by appointment.
